

Anthony started working as an illustrator after leaving University 23 years ago and has never looked back! He has worked with many leading brands, manufacturers and publishers, from all over the world. His style is ideal for both print and digital media, from branding characters to complex scenes. He prides himself on his attention to detail and ability to interpret briefs, as well as his fast turnaround and professional attitude. His work features on cereal packs, confectionary, board games, toy packaging, stationary, apps and in children's books and educational publications.
