

I was born in Southend on Sea. I went to Technical School and started work in a little studio in London called Link Studios. After two or three years woking on "Whizzer and Chips", "Shivver and Shake", etc. I left Link Studios and went on my own working direct for Fleetway until the market for kids comics started to shrink. I decided it was time to change and ended up here at Beehive! What a lovely agency to work WITH (not FOR) Friendly and efficient. LOVE IT!
