ILLUSTRATION

Tessa Sheehan

info@beehiveillustration.co.uk

I am an illustrator and character designer based in West Yorkshire. I love to use lighting and expressions to convey emotions and give a sense of narrative. My dream projects are anything involving fairy-tale or folklore and stories that help to make people feel represented and empowered. You can usually find me at home drawing with my cat Cyril asleep on my lap, most likely re-watching TV shows and movies I have seen a thousand times.

• Photoshop • Digitally Painted
