Beehive
ILLUSTRATION

Anastasiia Bielik

info@beehiveillustration.co.uk

I am glad to welcome you to my page! I am a freelance illustrator originally from Ukraine, currently living and working in Estonia. I create digital illustrations, but I always strive to give them a natural look, so I love using textures, pencil brushes and natural colors. I am especially inspired by old fairy tales, history and vintage things.

• Photoshop • Digitally Painted •
