ILLUSTRATION

Carol Sartori

info@beehiveillustration.co.uk

Hey there! I'm a Brazillian illustrator who has been drawing since I was 9 years old (even before). In my 10 years as an illustrator I've done: art for animation, game art, and mostly in the last 6 years I've been working with kid's books (literature and school books). I love creating cat characters and fun colorful art!
