ILLUSTRATION

Chloe Evans

info@beehiveillustration.co.uk

I am a freelance illustrator and kids wear clothing designer. I graduated in 2018 with a degree in Illustration from Birmingham City University. I like to create fun narratives and positive illustrations for children, often featuring cute animals. I have created work for children's books, product packaging, kids clothing, greeting cards and editorial. Some clients I have worked with include Harper Collins, Pearson Books, M&Co and Dunnes Stores. I mainly work digitally on my iPad using bright colours and adding different textures. I'd love to work with you on a project so please feel free to get in touch!

• Conventional • Photoshop • Vector • Digitally Painted • Animation Motion
