

Born in Germany, I grew up in a small town in Frankfurt. After my Graduation in Animation and Conceptart at the Filmacademy Baden-Wuerttemberg in 2016 I moved to London. Since then I have been fortunate to work for clients like Converse, Disney XD and NBA Asia. I love cats, cozy afternoons and spending my days being creative.

• **Photoshop** • **Vector** • **Digitally painted** • **Animation / motion** •
