

I was born in a little fishing village - Southend on Sea ! Eventually I went to Technical School and passed my O and A level GCEs. Started work in a little studio in London called Link Studios. After two or three years I was getting loads of work from Fleetway Publications on their comics, "Whizzer and Chips"; "Shivver and Shake", etc. etc. I left Link Studios and went on my own working direct for Fleetway for many years until the market for kids comics started to shrink. I decided it was time to change and eventually ended up here at Beehive! What a lovely agency to work WITH (not FOR) Friendly and efficient. LOVE IT !
