Beehive
ILLUSTRATION

Nicolas Rudnitzky

info@beehiveillustration.co.uk

I'm a professional Illustrator with more than 10 years of experience on the field. I've specialized in numerous illustration styles from photorealistic to cartoon but I can adapt to any required style. I had the opportunity to do a lot of work for national and international companies such as Unilever, Arcor, Alicorp and PepsiCo, among others.

• Photoshop • Vector • Digitally Painted •
