Beehive
ILLUSTRATION

Phil Garner

info@beehiveillustration.co.uk

I enjoy working in a variety styles to suit whatever brief comes my way, whether it be comic, semi realistic, or something retro looking. I work a lot with design companies who see illustration as a great tool that can enhance great design work. All my artwork is created digitally, apart from the odd piece of traditional paint on paper commission, so delivering a job is super fast.

• Conventional • Photoshp • Vector • Digitally Painted •
